About Us

Multitech Interiors & General Maintenance LLC is a dynamic progressive multidisciplinary organization founded in 2011.

Over a decade of presence in the UAE market, we cater to both commercial as well as residential clients while also undertaking turnkey projects. Our services are available at affordable price range to suit each class clients' budget.

We have provided quality interior fit out, turnkey solutions and facilities management covering planning, execution, and delivery. Our top interior fit out experience includes offices fit-out, restaurant fit out, retail fit out and commercial fit out.

Our Project Control System allows three divergent forces – Cost, Quality and Schedule to work together and produce the maximum value to the client. We staff every job with a highly qualified, full time on site-supervisors as per the project requirements.

WHY CHOOSE US

QUALITY

All our projects run per recognized management systems

EXCELLENCE & INNOVATION

We strive to be able to deliver value to all our clients. Our interior fit out services use the latest techniques, technologies, and materials on every project to ensure excellence.

SUSTAINABILITY

We are dedicated to positively impacting our community. We pride ourselves on delivering interior fit out services that allow our clients to maximize productivity, energy-efficiency and sustainability.

INTEGRITY

A core value for A&T is the integrity of our people. From recruiting talents to qualifying clients, selecting suppliers & delivering on commitments, we believe that this core value is key to our success.

LEADERSHIP

We have one goal: to provide the best fit out services in UAE. We work to raise industry standards by being a leader in terms of quality, delivery, sustainability, and fair ethical business practices.
